MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Noontime Film Program

1. This memorandum contains a recommendation for your approval. Such recommendation is contained in paragraph 4.

2. The attached report of attendance (Tab A) at the January-May showings of our noontime film program indicates there continues to be considerable interest in this activity. Accordingly, our committee has selected a new list of films for a fall schedule to begin 11 October 1965.

3. Because of the problem of covering offices during the lunch hour, some employees have suggested that films be started at a later hour or scheduled for second showings. However, it is our feeling that most employees prefer the present starting time of 12:00 which permits them to have sandwiches at their desks before or after the movie with little interruption to their work. If at any time a film attracts sufficient interest, we are glad to rerun it on the next scheduled date or at an early date thereafter and, of course, separate showings can also be arranged for special groups whenever it appears advisable.

4. I recommend that you approve the proposed film program (Tab B) to be scheduled at noontime as in the past. Upon your approval, the program will be distributed with the attached Employee Bulletin (Tab C).
